Prepare for Winter!

With another long Winter coming on, your topmost thought should be to protect the family health by right heating-to give wife and growing daughter the cosy, genial home atmosphere for the social standing and success to which they are entitled. Why not insure yourself forever care-free by guarding your home against discomforts and health-dangers of oldfashioned heating by putting in at once an outfit of

Decide at once to erase this picture from your mind

No matter how fiercely bleak Winter rages at the walls or howls at the windows, the faster will be the natural flow of warmth to the LERS AMERICAN Radiators stationed there to offset the cold. That's the beauty of our way of

heating. You need have no fear of comfort, health-protection and safety of the folks at home where this heating outfit is on guard. IDEAL Boilers and AMERICAN Radiators add to the joy of living because they banish the work and wear by keeping coal-dirt, ashes and soot out of the living rooms, and they reduce the cost of living in their great savings in fuel, lessened doctor bills and absence of repairs.

The practical values and every-day economies and conveniences of these heating outfits have

been demonstrated in thousands and thousands of notable buildings, homes, stores, schools, churches, hospitals, theatres, etc., etc., in nearly every civilized country, and endorsed by leading health officials, engineers, and architects.

That is why IDEAL Boilers and AMERICAN Radiators are so fully guaranteed. Yet they cost no more than ordinary types made "ithout scientific tests of construction and capacity. Accept no substitute.

If you want to make your home a baven of comfort, don't wait until you build but comfort your present house-on farm or in city-with an outfit of IDEAL Boiler and AMERICAN Radiators. Put outfit in now at present attractive prices and when you can get the services of the most skilled fitters. Don't continue to pay the cost of doing without, but ask to-day for free booklett "Ideal Heating," which proves to you why the outfit is an investment - soon pays for itself, then returns annual dividends in fuel and other savings. Call, phone or write to-day.
